## WHAT IS CHI ALPHA CAMPUS MINISTRIES?

We meet on campuses in all sorts of settings and sizes. These gatherings and small groups are informal, charged with music, given to humor and deal with everything from relationships to the nature of truth. The goals of these are to meet with God, meet among friends, and meet real needs.

## WHAT KIND OF NAME IS CHI ALPHA?

It's all Greek to us—literally. The Greek letters *Chi* (X) and *Alpha* (A) are the initials of a phrase written by the apostle Paul in the Bible (2 Cor 5:20). *Christou apostoloi* translated means “Christ’s sent ones.” The name is a reminder that we should live to reflect Jesus.
