A MOVEMENT OF STUDENTS

THE NAME "CHI ALPHA" COMES FROM THE GREEK

So what exactly is Chi Alpha Campus Ministries?

Sometimes there aren't enough words to describe Chi Alpha Campus Ministries. Then at other times, those words won't stick because the face of Chi Alpha Campus Ministries is a reflection of those involved, constantly changing and maturing. The question is not so much what is Chi Alpha Campus Ministries but who is Chi Alpha Campus Ministries?

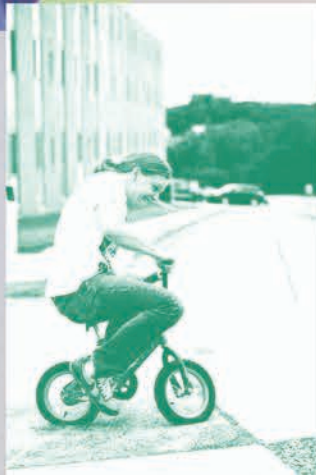

"Come and see."

These words of Jesus (John 1:39, NLT) describe Chi Alpha Campus Ministries. We are seeking more encounters with God. Come and join us on this incredible journey.

Who We Are

We are a community of students who've met a fascinating person who has changed our lives forever. That experience translates into every part of our existence.

Okay, so who then?

We come from a lot of different backgrounds and that diversity makes Chi Alpha Campus Ministries unique. But most of us have one thing in common. We're excited about what God is doing in our lives. He has been so good to us it makes us want to express our appreciation and love to Him in whatever way we can.
